## ARTS CENTRE

### PRIVATE HIRE

Thank you for considering the Strand for your event. As Northern Ireland's oldest cinema and newest arts centre we are perfectly placed to ensure a bespoke event in the unique surroundings of our Art Deco screens, entrance foyer and reception room.

Whether you are launching a new product, entertaining staff or hosting a fundraiser there are a number of ways you can use our space to create a memorable experience for all of your guests.

The Strand is a registered charity, created to enhance arts and cultural activity in east Belfast. All our income is reinvested back into our arts programme and the preservation of our landmark building, in choosing our venue we thank you for supporting the work that we do.

Please note that where tickets are being sold a licence must be purchased from the film distributor to legally screen any film. **Licences cost approximately £100.00**, we can make enquiries about the availability of licences for you. There may be additional costs for DCP film licences.

You can use our in-venue and on-line box office to sell the tickets for your event at no additional cost.

We have a first floor reception area (with kitchenette) that can be used for a pre-screening reception, at an additional cost of £50.00 /hour, this includes your own door red-carpet entrance.

## PRIVATE FIRST FLOOR RECEPTION

Add to the evenings VIP feel by hosting the event from your own private reception area, where your guests can congregate before and after the showing - wining and dining them is optional! Our first floor reception has its own door from the street, a kitchenette and private access in to Screen 1 for a hassle free event. First floor is priced at £50. You can create that premier feel with use of our red carpet and rope barriers at no additional cost.

## CONFERENCES, Q&A'S, PRESENTATIONS, LAUNCHES

Screens 1, 2 & 4 have stages which allow people to sit or stand and present in full view of the audience.

Subject to an additional charge, you can project onto any of our screens via your own laptop.
